Subject: Fw: Invitation - Arizona / NM wildfires -- update for RA on smoke, PM levels, and respiratory effects in NM.
(06/14 12:00 PM CDT)
Date: 06/13/2011 11:03 AM

Wes and Chris,

There is a briefing with the RA on the Arizona fires tomorrow at noon. Do you folks have anything on this? Have you been contacted about setting up any temporary monitors by NMED etc.? Also, do you know if Region 9's Superfund Program has deployed any resources?

Maria

Invitation - Arizona / NM wildfires -- update for RA on smoke, PM levels, and respiratory effects in NM. (06/14 12: Arizona / NM wildfires -- update for RA on smoke, PM levels, and respiratory effects in NM.

Tue 06/14/2011 12:00 PM - 1:00 PM

Attendance is **required** for Thomas Diggs

Chair: **Al Armendariz/R6/USEPA/US**

Location: Small RA Conf Room

Al Armendariz has invited you to a meeting. You have not yet responded.

Required: gray.david@epa.gov, Lawrence.Starfield/R6/USEPA/US@EPA, Thomas.Diggs/R6/USEPA/US@EPA, edlund.carl@epa.gov, phillips.pam@epa.gov, Sam.Coleman/R6/USEPA/US@EPA

Objective is to give the DRA/RA a status update on the wildfires, focusing on

smoke transport, air quality measurements on the ground, potential for public health impacts.
